

About

Hello, I'm Thairlan, I'm 25 years old, I live in Anápolis (GO). Currently I am deepening around UX Design. Attending the 6th period of Software Engineering at the Universidade Evangélica De Goiás, I currently have two certifications that contribute to this opportunity, I recently conducted some projects and case studies available in my portfolio.

Professional Experience

Carrefour Comercio LTDA / 2015 → Atendimento ao cliente.

“Responsible for customer service in person and over the phone, in-store orientation and problem solving”

Universidade Evangelica de Goiás / 2020 → Estágio em T.I

“I.T. assistance and related areas, lab maintenance and possible adaptations, for disabled people in computer labs”.
